## Panorama-SlidingDoor

# GLASS TO GLASS SOLUTION

**More Light**

The Panorama Door offers a traditional parallel-moving sash, however the fixed part of the slider has no sash in it, the glazing unit is installed directly on to the frame.

**Concealed Hardware**

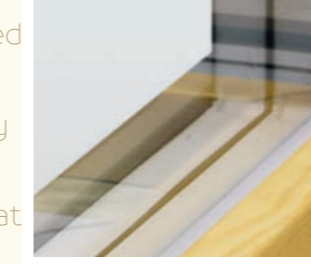

The upgraded hardware system – provides an aesthetically improved appearance.

**Enhanced Security**

The Panorama Slider is equipped with high quality modern hardware system, developed by GU in Germany. Available with specially modified hardware that has undergone a special safety test PAS24-type testing in England.

**Energy Efficient**

Available with a U-value of less than 0.80 W / m<sup>2</sup>K (52mm glass solution).

## OPTIONAL ACCESSORIES:

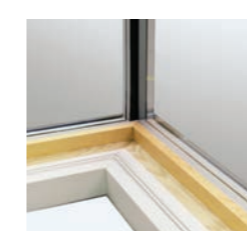

**Silent-Close System**

Allows the door to be closed gently and smoothly.

**Panorama Glass to Glass Corner Solution**

With the Panorama sliding door you can now have a glass corner solution.

**COMING SOON!**

Near future – E-POWER SYSTEM – touch-based electric opening-closure system

## VIKING WINDOW'S

Viking Windows is a globally renowned window and door manufacturer with a wide product range. Our range includes Scandinavian, English, and German windows, exterior doors, folding and sliding doors. In addition to timber windows and doors, the selection also includes aluminium clad windows and doors whose exterior side is covered with resilient aluminium profiles. Windows and doors may be tailor-made, according to the building's needs!

We are focused on offering customer-friendly and energy efficient solutions. Thanks to the high quality Grade A1 & A2 Timber we use, our windows and doors have a long life span. Water based finishing materials guarantee the environmental friendliness of Viking Window's cavity

fillers; glazing units, hardware and seals are supplied by leading manufacturers in their respective fields, ensuring ease of use and compliance with modern building standards.

Having supplied to Ireland for 16 years we believe in Local, that's why we have partner showrooms throughout Ireland in Dublin, Cork, Galway, Northern Ireland and local agents to support you locally.
